

GIDEON KIPROTICH BETT

Full Stack Developer | ICT Specialist

✉ kiprotichgideonbett@gmail.com | ☎ +254790729721 | 🌐 bettgideon-github-io.vercel.app

Personal Statement

Impact-focused Full-Stack Developer passionate about crafting responsive, user-friendly web applications. Skilled in HTML, JavaScript, PHP, UI/UX design, and database management, with a strong foundation in cloud computing and system optimization.

In addition to web development, I have experience in social media management, content creation, and audience engagement. Proficient in strategic content planning, SEO, analytics, and paid ad campaigns to enhance digital brand presence.

Eager to contribute technical expertise, creativity, and problem-solving abilities to innovative teams while staying updated with industry trends. Always willing to learn, adapt, and leverage technology for impactful digital solutions.
